No. 9673 by a change in name thereon)
to Metro Transporters, Inc.)

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Andrew L. Blankenship DBA Metro Transporters (the Applicant), whereby the Applicant seeks approval of an amendment to its Certificate of Public Convenience and Necessity to reflect a modification to the name appearing on such Certificate. Specifically, the Applicant requests the approval of the following modification:

FROM: Andrew L. Blankenship DBA Metro Transporters

The Applicant asserts that the relief requested incorporates merely a change in the name of the holder of the Certificate. The Application further indicates that the change of name does not involve a change in ownership, officers, or operation of the business.

Based upon a thorough review of the matters asserted in the instant Application, the Commission is of the opinion that the

relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Application for modification of Certificate of Public Convenience and Necessity No. 9673 by changing the name thereon be, and hereby is, approved.

2. That said approval is for a change in name only and does not authorize any change in the control or operation of the Applicant's regulated services.

3. That the Applicant file the proper license fees and other information required by S.C. Code Ann. Section 58-23-10 et seq. (1976), as amended, and by R.103-100 through R.103-280 of the Commission's Rules and Regulations for Motor Carriers, S.C. 5. That prior to compliance with such statutory and regulatory requirements and the receipt of such modified Certificate, the motor carrier services authorized by such Certificate may not be provided.

6. That this Order shall remain in full force and effect until further Order of the Commission.
